

Declaration

to Regulation
(EC) No. 1907/2006 for registration, evaluation,
Authorization and restriction of chemicals
(REACH - Registration, Evaluation, Authorization and
Restriction of Chemicals)

1. The delivered amount of substances in our products is below the REACH-relevant quantity of one tonne per year. Therefore it does not fall into the registration requirement of REACH.
2. As a matter of course we are in a close dialogue with our suppliers. To the present and best of our knowledge and based on the information available to us from our suppliers our current products offered do not contain added substances of very high concern (SVHC) as referenced by the Candidate List above a limit of 0.1% by weight.
3. Therefore, according to our current knowledge and information provided by our suppliers, all delivered substances comply with REACH.
4. We will inform our customers about any changes in the candidate list for authorization that is relevant to our products and that may arise.
